Federal regulations require that average living expenses are made available to any student.

Loan eligibility is calculated using these cost figures, minus any scholarship you have been awarded.

Note: Loans are disbursed at the beginning of each semester. Per federal requirements, the Federal Direct (unsubsidized and PLUS) Loans will not disburse to the student's account until 8-10 days prior to the start of classes each semester. For loans processed during the academic year, please allow at least 10 business days for disbursement (provided all steps have been completed). Refunds for living expenses are given out by the first week of classes.
